Dear Seeker on the Spiritual Path,

Warmest greetings from my heart!

In a changing world, many people are seeing the need to follow a path of spiritual growth. Your search shows that you are one of these people.

This brochure may well be a landmark on your spiritual path. It offers you a doorway into one of the inner schools of the ascended masters, those immortals who have gone before us to show the way to self-mastery. You can enter this school by becoming a member of the Keepers of the Flame Fraternity.

Each month you will receive a lesson available only to Keepers of the Flame, which will take you step by step through the inner mysteries of the ages. By applying these lessons, you will accelerate on the path to ultimate reunion with your divine source.

I invite you to become a member of the Keepers of the Flame Fraternity. Won't you read through this brochure? If you decide to make the commitment, simply fill out and mail the pledge and application.

I AM joyously keeping the flame for you,

Elizabeth Clare Prophet

Mother of the Flame

KEEPERS OF THE FLAME FRATERNITY

WHAT IS THE FLAME?

The flame is a spiritual fire within your heart. It's the divine spark that was never born and never dies. It's the flame of life—your own portion of the Spirit that was given to you when your soul was born out of the Infinite.

WHY DOES IT NEED TO BE KEPT?

Just as you tend the fire in your fireplace, you need to tend the flame. Long ago on earth, before recorded history, fewer and fewer people tended the flame until there was not one person with a flame burning on the altar of the heart. It was a dark age when all had forgotten their divine source. Then Sanat Kumara, mentioned in the Book of Daniel as the Ancient of Days, came to earth to reignite the flame and teach others to tend it. In each age since, there have been great Lights on earth who kept the flame going and then returned to the Spirit. These great Lights include Gautama Buddha, Moses, Jesus Christ, Kuan Yin, Krishna, Confucius—and in this age, Saint Germain.

WHO IS SAINT GERMAIN?

Saint Germain is our immortal friend and brother who is leading the people of earth into the Aquarian age. In his embodiments as Christopher Columbus, Francis Bacon and the Comte de Saint Germain, he paved the way for the technological revolution and the personal freedoms we enjoy today. His soul ascended to God at the end of his embodiment as Francis Bacon in the seventeenth century. As an ascended master, he inhabits the heaven world, also called the etheric plane.

Saint Germain has been called the Master Alchemist. He teaches us how to tend the flame on the altar of our hearts and transmute the metal of our souls into the gold of the Spirit.

WHAT IS THE KEEPERS OF THE FLAME FRATERNITY?

The Keepers of the Flame Fraternity comes forth in the tradition of ancient spiritual orders. Saint Germain founded the fraternity in Washington, D.C., in 1961 through his Messenger, Mark L. Prophet. As Knight Commander of the fraternity, Saint Germain has pledged to see this earth through to a golden age of freedom, peace and enlightenment.

Along with Saint Germain come other ascended masters to help the earth. They are referred to in the Book of Revelation as the “saints robed in white.” They and their unascended disciples form the Great White Brotherhood. (“White” does not refer to race but to the aura of white light that surrounds these masters.) The Keepers of the Flame Fraternity is an outer branch of the Great White Brotherhood.

Mark L. Prophet and Elizabeth Clare Prophet are the Messengers of the Great White Brotherhood. Mark founded The Summit Lighthouse in 1958 to publish and distribute the Brotherhood’s teachings. In 1973 his soul reunited with God and he became the Ascended Master Lanello.

Elizabeth is the spiritual leader of The Summit Lighthouse, headquartered in Montana. She is an internationally acclaimed spiritual teacher and author of

such classics as *The Lost Years of Jesus* and *Saint Germain On Alchemy*. In the Keepers of the Flame Fraternity, she holds the office of Mother of the Flame, and thus her students address her lovingly as “Mother.” The Brotherhood has appointed successive women to this position to nourish, or mother, the flame of life on earth.

WHY JOIN THE FRATERNITY?

You may already be keeping the flame of life. You may already be preserving and upholding freedom and the sacredness of life and extending that flame to others who do not know that they have a divine spark within.

So why should you join the Keepers of the Flame Fraternity?

When you become a member, you gain the direct sponsorship of Saint Germain. He has untold power that comes from the heart of God. And he is willing to use this power to assist you on your spiritual path all the way Home. In joining this fraternity, you further strengthen your commitment to keep the flame by connecting with brothers and sisters worldwide who share this goal. Together you acknowledge and adore the flame of life daily through prayer, meditation, and dynamic affirmations and decrees.

The fraternity is not a church. Joining does not require that you resign from your own church or religious organization. You may retain affiliation with any organization whose beliefs and practices are consistent with the laws of God.

WHAT ARE THE BENEFITS OF BEING A KEEPER OF THE FLAME?

As a member of the fraternity, you will receive monthly lessons in cosmic law to study at home. These lessons contain spiritual principles and concepts as taught by the ascended masters. They are outer signs of your soul's inner initiations on the spiritual path, and so are to be kept confidential. Thirty-two lessons are now available and more are forthcoming.

We recommend that you also subscribe to the *Pearls of Wisdom*, timeless messages from the ascended masters delivered by the Messengers through the agency of the Holy Spirit.

As you devote yourself to the flame of life, Saint Germain will personally sponsor you on a path of soul testing and spiritual growth. While you sleep at night, angels will take your soul to the retreats of the ascended masters on the etheric plane to receive spiritual training.

You will also be able to meet with other Keepers of the Flame at events and services of The Summit Lighthouse in your area. And you'll have the opportunity to order many products at member discounts.

*W*HAT DOES A KEEPER OF THE FLAME PLEDGE TO SAINT GERMAIN?

When you apply to become a member of the fraternity, you make a pledge to Saint Germain to uphold the principles of the fraternity.

You also pledge to reconsecrate the flame of life at least once a day by reciting "The Keeper's Daily Prayer" and offering prayers and invocations on behalf of all life. When you become a member, we'll send you a free audiocassette with instruction and demonstrations on how to give dynamic decrees (spoken prayers and affirmations) to anchor God's light in the earth.

*H*OW TO JOIN

Sign the enclosed pledge to Saint Germain and fill out the application form. There is an initial enrollment fee, plus nominal monthly dues. Your enrollment fee and dues are used to support the publication and worldwide distribution through The Summit Lighthouse of the teachings from the ascended masters for this age.

THE KEEPER'S DAILY PRAYER

by Lady Master Nada

A flame is active—

A flame is vital—

A flame is eternal

(Give slowly
with deliberation)

I AM a God flame of radiant love
From the very heart of God
In the Great Central Sun,
Descending from the Master of Life!
I AM charged now
With beloved Helios and Vesta's
Supreme God consciousness
And solar awareness.

Pilgrim upon earth,
I AM walking daily the way
Of the ascended masters' victory
That leads to my eternal freedom
By the power of the sacred fire
This day and always,
Continually made manifest
In my thoughts, feelings and immediate awareness,
Transcending and transmuting
All the elements of earth
Within my four lower bodies
And freeing me by the power of the sacred fire
From those misqualified foci of energy
within my being.

I AM set free right now from all that binds
By and through the currents of the divine flame

Of the sacred fire itself,
Whose ascending action makes me
God in manifestation,
God in action,
God by direction and
God in consciousness!

I AM an active flame!
I AM a vital flame!
I AM an eternal flame!

I AM an expanding fire spark
From the Great Central Sun
Drawing to me now every ray
Of divine energy which I need
And which can never be requalified by the human
And flooding me with the light
And God-illumination of a thousand suns
To take dominion and rule supreme forever
Everywhere I AM!

Where I AM, there God is also.
Unseparated forever I remain,
Increasing my light
By the smile of his radiance,
The fullness of his love,
The omniscience of his wisdom
And the power of his life eternal,
Which automatically raises me
On ascension's wings of victory
That shall return me to the heart of God
From whence in truth
I AM come to do God's will
And manifest abundant life to all!

“Come now, and let us reason together, saith the Lord.” Let us join together in a fraternity of light-bearers “as above, so below”—one with the masters ascended, one with the chelas unascended—to forge a union of the Spirit that will secure this planet for the Light for all time and space.
